ABELLA DANGER

ABELLA DANGER FUCK FACTS

Birthday: November 19

Hometown: Miami, FL

Height: 5'4

Weight: 130 lbs

Measurements: 34C-27-39

Movies: *All Access: Abella Danger* (Airose Entertainment), *Oil Overload 13* (Jules Jordan Video), *Daddy Likes My Big Ass* (Digital Sin), *Hot Bodies* (Hard X), *Barely Out Of School* (3rd Degree)

ALL IMAGES COURTESY OF DIGITAL SIN/NEW SENSATIONS, JULES JORDAN, MILE HIGH MEDIA, AIREROSE ENTERTAINMENT, 3rd DEGREE

PORN VALLEY, CA—At 20 years old, Abella Danger has already accomplished a lot. What do we mean by a lot? For starters, she's repped by Spiegler Girls, arguably home to the best performers today. She's an XBiz and AVN Best New Starlet, Airose's Brand Ambassador, and she has risen to the top quicker than most girls due to her incredible, hardcore sex scenes. She's worked with the best and biggest male talent and already has a ton of scenes that have earned her pornstar status. And judging by the long lines at EXXXotica New Jersey and the Adult Entertainment Expo, she is a fan favorite and her star appeal has no sign of winding down. She has a long career ahead of her, with perhaps a Performer of the Year award in her future but one thing we do know . . . there will continue to be plenty of ball blasting scenes to come, courtesy of Abella and that sweet, big ass of hers!

What's the best and worst thing about being a porn star?

The best is I get to be me. I get to be a sexual human being and not feel bad about it. I can talk about sex all I want and explore all my sexual desires in a really safe way. The worse is having to sometimes defend your reasoning to society and to conform yourself to what society wants you to be. I try to stay true to my beliefs and not get jaded by the competitiveness of it all. There's a downside to everything.

How did you come up with your porn name?

It's really not that creative. It's a beautiful danger. [Laughs] I use to love getting in trouble when I was younger. And there's something really thrilling about whether you're going to get caught or not.

What would you say is your best and worst physical feature and why?

My best physical feature, people would think I'd say my ass but I think my best physical feature is my back. My whole backside is just very muscular. I don't know; I just really like my back. My worse feature, I don't know. My feet probably. I don't like my toes. I like everything else. I'm really trying to improve myself. I lose weight, go to the gym, eat healthy. I don't eat healthy but I try to. [Laughs]

Are you a very dominant or submissive person?

I'm very dominant. When I work with Phoenix Marie you'll see a completely different side of me

because you get to see me be submissive. You'll never hear me tell a girl, "Do whatever you want to me," unless it's Phoenix Marie in front of me. You just won't hear that. So for the most part I am a very dominant person. Like when I first met James Deen, I didn't know he was this super dominant performer. I said to him I'm really dominant and I'm going to choke you during this scene. And he said, "Do you know who I am?" When I tried to choke him he grabbed me and choked the shit out of me. It was the best. I wanted him to put it in my butt right there. I was begging him to put it in my butt.

**Do you masturbate often?
Who or what do you think about
when you masturbate?**

I watch porn when I masturbate, and I masturbate a lot.

What sexual fantasies have come true for you since you started working in porn?

I don't know why I love aggressiveness and why I love pain. The one scene goal I have this year is to do a sex and submission scene with James Deen. On my 19th birthday I spent it at Kink.com and it was my first time ever going, on my birthday. I still go there often but on my 21st birthday I really want to have a sex and submission scene with James Deen. I really hope that happens.

Describe the hottest scene you've ever been involved in.

Who did you perform with and for what film/studio was it for?

Wet Asses 5 with Manuel Ferrara for Jules Jordan Video. I think about other scenes too, I don't know why that's the first one. I feel like, I was very new to anal when I shot that and I believe it was my fifth anal scene. The ones I did when I was contracted by Brazzers were all spread out. So I never really got into the gist of things. I had a couple of anal scenes that week right when my anal contract ended. It was like all anal. I was like, "Why am I not able to get into the groove of this?" I was like struggling with my butt that week. Then I did a scene with Mick Blue for Mason and I came from my butt so much. A couple of days later I did the scene with Manuel for William H and it was freaking amazing. After he shot it he said, "I'm nominating this scene for best anal scene. It was amazing."

To this day that one and the one with James Deen are probably the best anal scenes I shot.

Do you like being naked? What's it like for you to have a job in which you get to be naked at work?

I love being naked. When I was in fourth grade I decided I wanted to be in *Playboy* when I turned 18. I practiced posing nude. When I turned 18 I tried to get really fit and wanted my hair to grow long and straight to try to be in *Playboy*. I ended up doing porn before any of that. When I watched porn I thought, "This is looked down upon? I don't think it's that bad." So probably in my subconscious *Playboy* was the closest I can get to being in it and still be respected but porn was always meant to be for me.

What would be your advice to a civilian guy if he wanted to approach a porn girl for a date?

Confidence is key. Don't act like I'm something out of this world. I'm just a regular person.

Have you had a one night stand?

So many. I had sex with 18 guys before I met the guy who got me into porn. He was the 19th and yes, I had a list and yes, I still have a list.

Do you still have a lot of sex off camera with a lot of non-porn people?

Not really but not because I don't want to. I was just telling my friend, "I can't just fuck a guy. He has to be hot as fuck." But I love the whole chase but porn is fun because you just meet the person and fuck but sometimes you like that chase. I like the whole back and forth.

Would you rather win an award for your acting performance or your sexual performance?

For my sexual performances. This is what I do. I'm a sexual being. Acting is so fun. I love it but I can't say I'd rather go on a regular movie set and just shoot. I need to have dick and have pussy and have sex. [Laughs]

Where's the hottest place you ever had sex in?

There was this library next to a fire station, and there was a park in between. We'd go there at night to drink and to fuck. I actually did that a lot. One time I was dating this guy but I was always cheating on him with this other guy, and we had the same hour break in

college so we would always meet up and fuck in his car somewhere on campus.

So you're also a bad girl.

Cheating? I never understood that and I like making guys cheat on their girlfriends. It's really fucked up. I don't think it's fucked up because think about it . . . I'm a woman and I'm thinking with my sex organs right now. I don't give a fuck about your girlfriend right now. You're the weak person for saying yeah to me. The girlfriend needs to go hate him for giving into my powers, not me.

Have you been cheated on?

Of course. People cheat, we're human. We feel, we crave, we get bored, fuck it.

What's one sex toy you can't live without?

I can't live without my Hitachi. That's so basic but I don't care. [Laughs] I love my Hitachi so much.

Which of your movies are you most proud of?

Of course, *All Access Abella Danger*. I really liked *Fetish Fanatics 16* because that was my first time working with AJ Applegate. It was the first time a girl made me squirt with her fingers. I loved that. *Wet Asses 5* and my first scene for Bang Bros., I think that was special to because it started everything. A lot of girls don't like talking about their first scene; it was probably something really embarrassing. Not all girls but most.

What's one superpower you wish you could have?

To snap my fingers and appear somewhere.

What does the future hold for you?

This is me being very blunt but I want to win Performer of the Year one day. Honestly, my biggest fear is being the Best New Starlet and be nothing afterwards and just disappear. Careers for girls don't last nowadays but I want to change that. I don't want to come and go. I want to be a Nikki Benz; I want to be like a Phoenix Marie. So that's what I want. That's what I want to be.

Anything you'd like to say in closing to the Club readers?

Thank you for always supporting me and I hope you like my movies coming out.

TUSHY.COM PRESENTS **BEING RILEY**

ALL PHOTOS COURTESY OF TUSHY.COM

Greg Lansky's latest endeavor at Tushy is all about ass. In *Being Riley*, superstar performer Riley Reid comes to explore anal sex. It's a tale of sexual awakening where Riley is stifled by her conservative town and relationship. After leaving it all behind, her old friend Sarah (Aidra Fox), guides her to a new beginning. Sarah helps Riley loosen up to be the openly sexual girl she wants to be. She inspires Riley to explore her fantasies, which lead to some amazing first time anal sex and double penetration. For those of you who thought you'd never see Riley take it in the ass, here it is in this one-time exclusive!

RILEY REID, MICK BLUE

Riley ventures off to pick up Sarah's purse at a friend's house, sharing a drink and ultimately a sexual encounter with Mick Blue, who plays the role of Sarah's friend. Riley is enamored by Mick's wealth, as she parades

around in a tiny white skirt and black high heels admiring his penthouse loft that's set high above the city. After Mick asks Riley to stay for a quick drink, the action eventually sets in as he dives into Riley's pussy and asshole for a feast, before she returns the favor with a sensually

driven blowjob loaded with deepthroats and unrestrained sloppiness. Sex is initiated with a missionary style dick plunge from Mick. Anal then comes into play with Riley asking Mick to go slowly as she radiates an excited hesitation as he thrusts her asshole lightly. The scene carries a gradual intensity throughout then things reach their finale point after a reverse cowgirl buttfuck, with Riley falling to her knees as Mick squirts his load over her face and she holds her hands below her mouth to savor whatever she misses in her mouth.

RILEY REID, AIDRA FOX AND MANUEL FERRARA

Aidra tells Riley that she knows all about her fucking Mick and about her taking it up the ass. Riley is embarrassed that Aidra knows everything, but Riley tells her she should be proud of it. Aidra then tells Riley that she showed her friend, Manuel, a picture of her and now Manuel wants to have a threesome with them. Riley says yes. Later that day, they are both dressed in sexy black lingerie then join Manuel on the couch who can't keep his hands off of Riley. The girls start kissing each other and Manuel. He plays with Riley's ass hole and pussy. Aidra starts sucking on Manuel's cock, showing Riley how Manuel likes it and Riley soon gets the

hang of it and starts sucking on is cock too. She tries to deep throat it and gags on it. The girls share his meat, back and forth in their mouths. Aidra lies on her side and Manuel spoon fucks her while Riley licks his balls and ass. Riley takes her turn getting spoon fucked in the pussy and her asshole but seems to enjoy anal the best. After some ass to mouth play with Manuel's cock, Aidra gets in doggy position for some pussy stuffing. Riley licks her asshole while Manuel fucks her pussy, and she stands by for more ass to mouth out of Aidra's ass. Riley gets in missionary position for more ass stretching as Manuel thrusts hard and fast in her ass. She takes her anal fucking to standing doggy position and the camera gets in close on all the deep penetrating action. Aidra sucks his cock right out of Riley's ass and helps guide it back deep into Riley's hole. Manuel keeps fucking Riley's ass doggystyle until he is ready to pop, pulling out and shooting cum all over Riley's ass and in Aidra's mouth.

ON THE SET

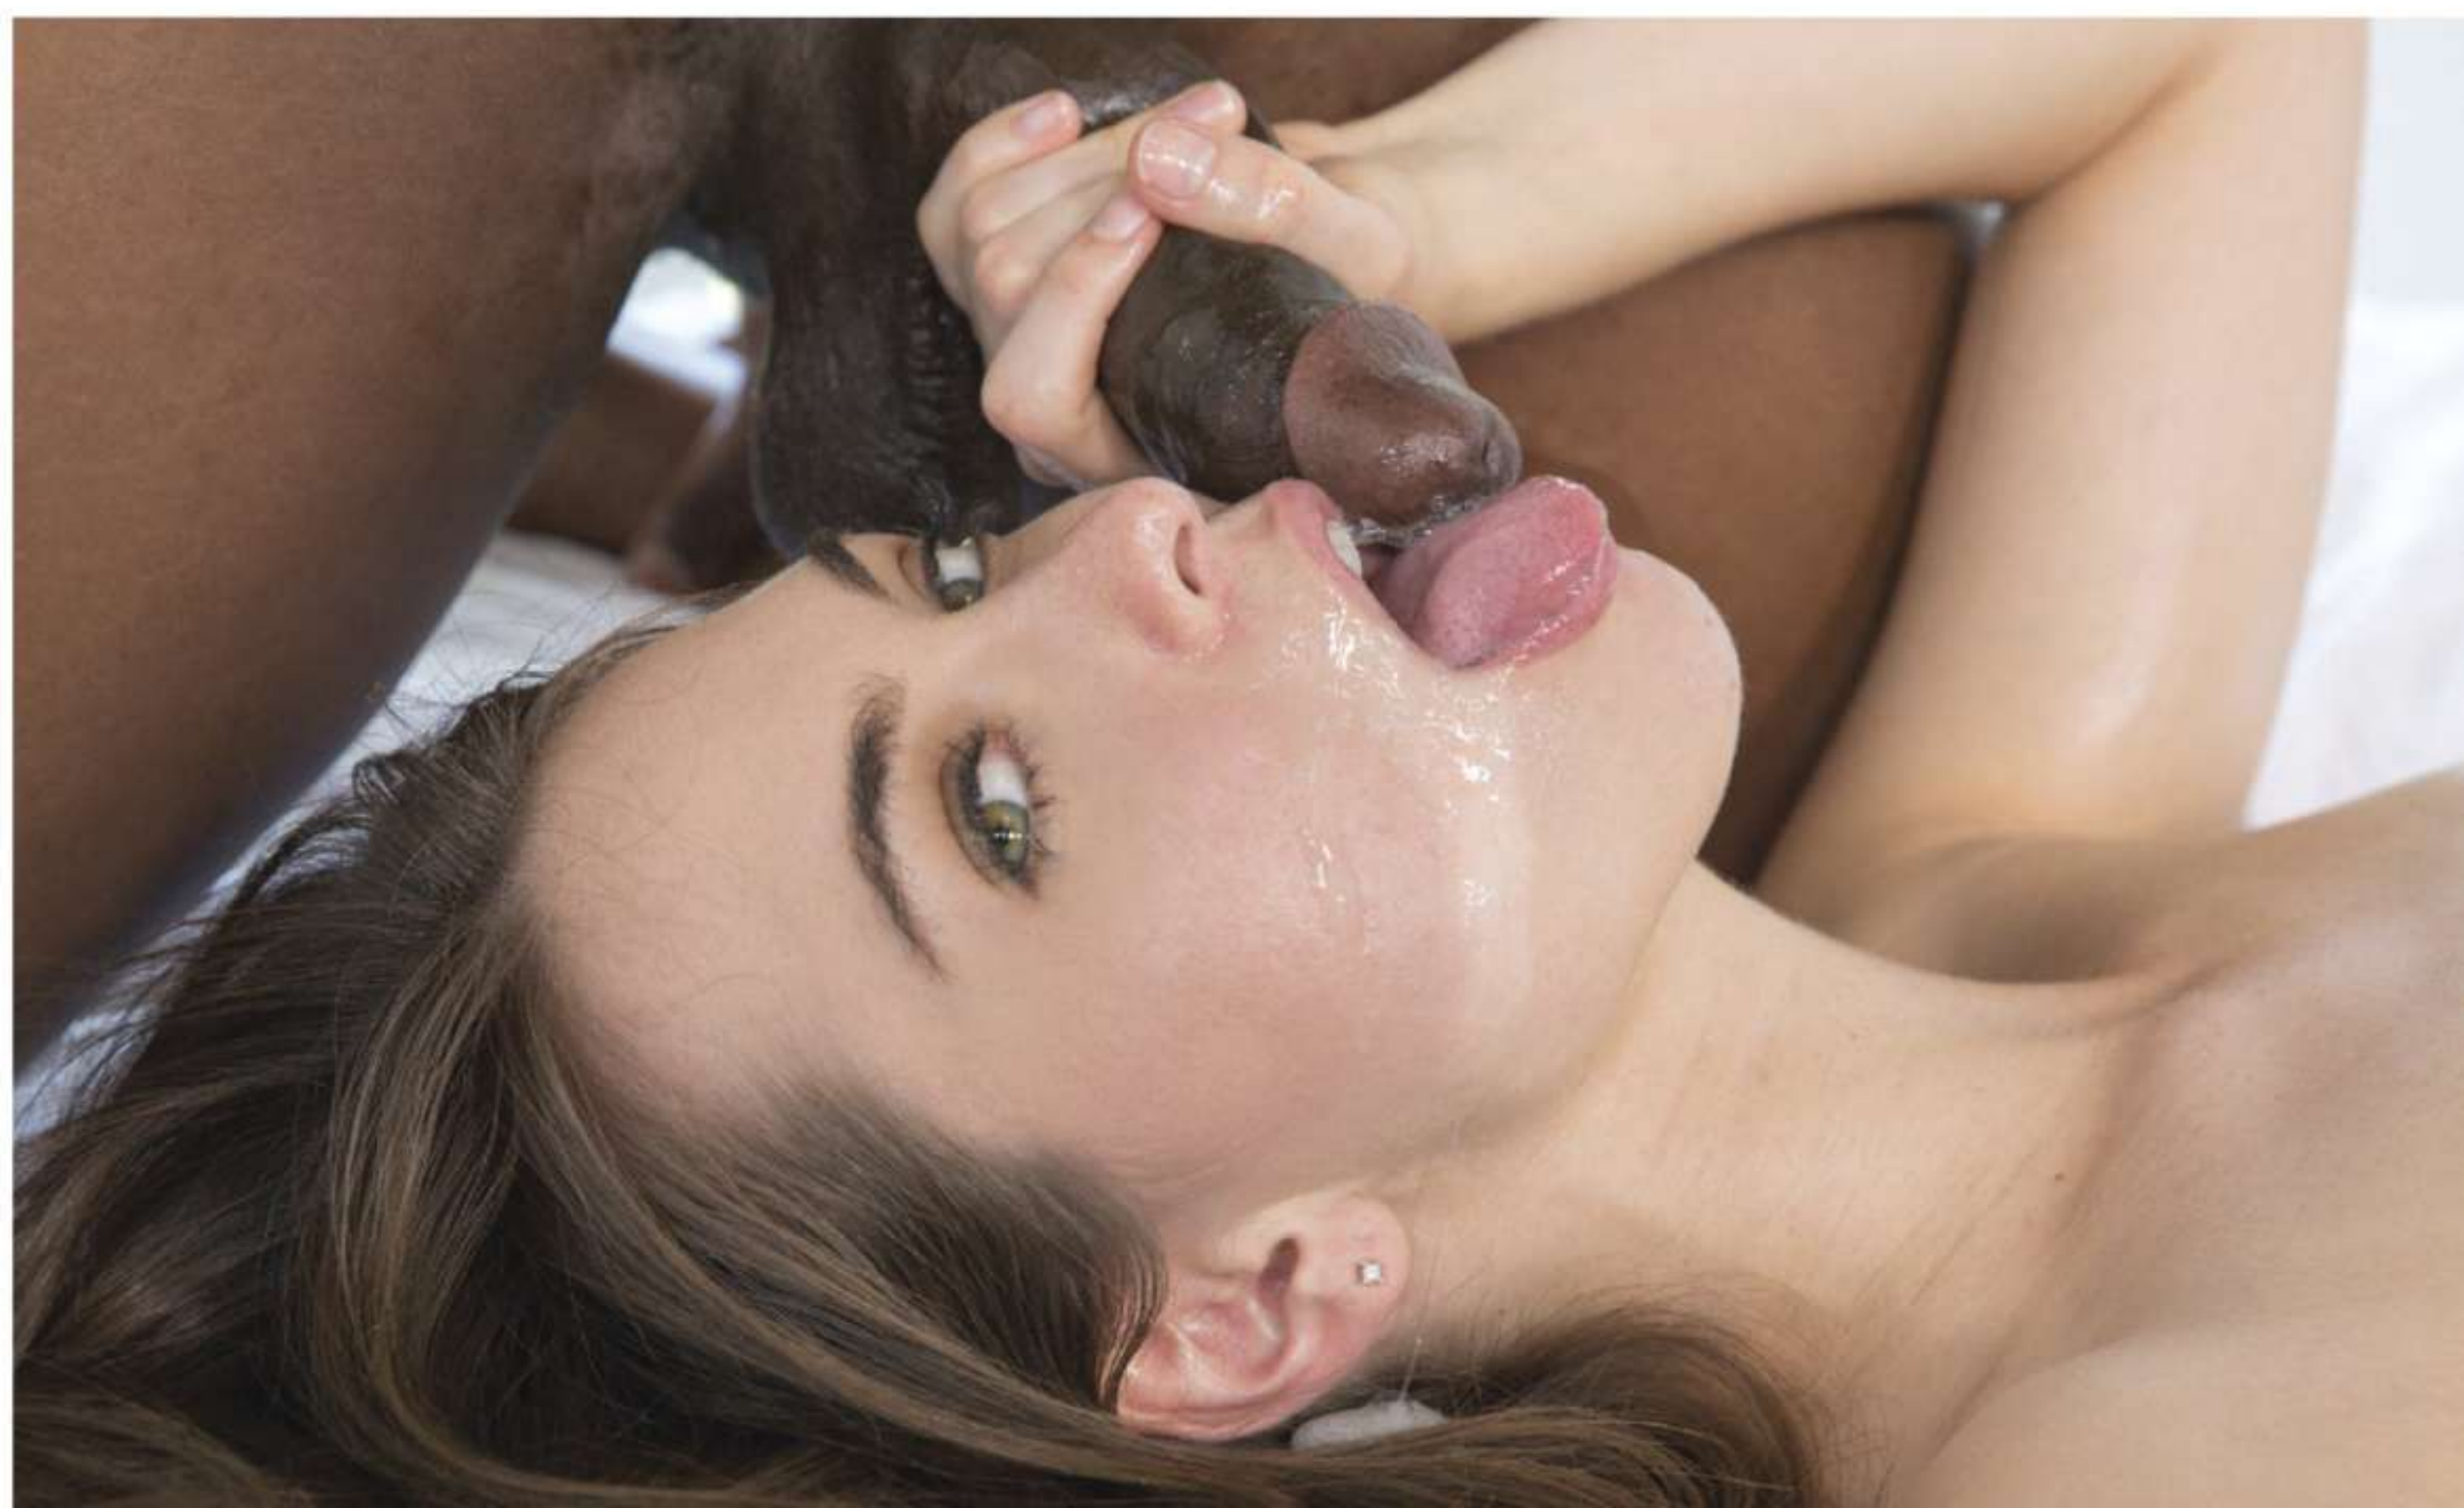

(continued)

RILEY REID, ROB PIPER

Riley returns wearing a sexy blue two piece by the pool with Rob Piper. Riley and Rob kiss as they move inside, pawing each other as they make out. Out of nowhere, Rob tells her he wants to eat her ass so she bends over to bare it, and drops the swimsuit bottom for him to tongue her buttock. She was already sporting an anal gape as he spread her cheeks wide, then she begins sucking his dick. She coyly unfastens his drawstring pants with her mouth before kissing him some more and stroking his growing black

rod, her other hand massaging his balls before she tried to suck more than a couple of inches while her drool fell to the bed. Her superior eye contact was noted and he went down on her, followed by a passive vaginal penetration showing her box barely able to handle his erection. This led to a passive anal and rode him in reverse cowgirl, gyrating her hips at times in a mix of vaginal and anal. They continued until Rob towers above her head on the bed to feed her his splooge, Riley's post head one of the very best things about this scene.

RILEY REID, JAMES DEEN, ERIK EVERHARD

Riley meets up with Sarah and tells the story about her boyfriend James Deen, who helps her live out her fantasy of being with two guys. Erik Everhard plays the role of James' friend Mark, as action begins with Riley as the centerpiece giving a double-barreled cocksuck. Riley slides her tongue underneath their cocks as she plunges them into the nether depths of her throat while spitting and slobbering over them in awe. Sex sets in with James burying his broomstick in Riley by way of a doggie style fuck, while she buries Everhard's schlong into her throat. The action continues forth with a lasting intensity from the stars, with the long-awaited first DP of Riley Reid taking place. Riley's playful spirit and natural beauty continue to lie as the focal point of the scene, but the DP itself makes it all the more better as things move forward. Once it begins, there are few moments where Riley's holes aren't doubly filled with cock, with the fetish aspect of it all playing a large part as well. Things ultimately cap off with Riley back in the same spot she began, kneeling beneath Everhard and Deen as Everhard is the first to blast, and James lashes out some fierce ropes over her face before the screen fades. Great stuff.

A man and a woman are shown in a close, intimate pose outdoors. The man, on the left, is wearing a white shirt and has a tattoo on his left arm. He is looking down at the woman. The woman, on the right, has long dark hair and is wearing a black and white striped bikini top. She is looking up at the man with her mouth slightly open. The background is a blurred outdoor setting with greenery and a body of water.

REBECCA LINARES

FEELS LIKE THE FIRST TIME

Photography by Tammy Sands

Remember the first time you slid your blood-engorged boner into a wet, velvety-smooth pussy? Mr. Pete sure doesn't. That shit was a long time ago, and he was pretty drunk.

But he knows he's never felt a pussy quite like Rebecca Linares' before, the way it softly grips his dick and magically milks him to a screaming climax. Rebecca's twat gets better and better— tighter, wetter, wilder—the longer they fuck. How much longer can it go on! The pressure is building, Mr. Pete, and Rebecca can't wait to devour every drop of your creamy seed. Fire away!

What's Next 2

NEW SENSATIONS

★ ★ ★ ★

Starring: Cadence Lux, Carter Cruise, Rachael Madori, Abella Danger, Marley Brinx, Aubrey Gold, and Melissa Moore.

Co-directors Paul Woodcrest and Eddie Powell focus their formidable talents on a ripe batch of up-and-comers in *What's Next 2*. This series caters to a broad demographic of porn fans—bondage lovers, couples, and solo porno watchers. Although the bondage portrayed in the film will definitely be considered mild to those who consider themselves experts in kink, it still adds a nice contrast to the sex, and it's certainly a plus for fans looking to peak their bdsm interest rather than fulfill an extreme fantasy. Most of the performances are strong across the board, with Woodcrest and Powell riding the fringe between glam and gonzo. This is a solid film with a strong cast. What's next? Hopefully more hot offerings like this one from Woodcrest and Powell.

Dana DeArmond Loves Girls

SWEETHEART VIDEO

Starring: Dana DeArmond, Chanel Preston, Dahlia Sky, Veruca James, and Abella Danger.

Not only does Dana DeArmond love girls, she's got great taste in women. Chanel Preston, Dahlia Sky, Veruca James, and Abella Danger join Dana on a journey of lesbian discovery and soaking wet girl-on-girl orgasms. Lesbian porn can be boring, but the secret to success for *Dana DeArmond Loves Girls* lies behind the camera. Director Dana Vespoli is a true pervert, and knows how to capture the essence of hot lezzy fucking on camera. DeArmond does Dahlia Sky with a strap-on, seduces Abella Danger by the pool, and unleashes an ass and pussy licking frenzy on Chanel Preston and Veruca James. Good times with good girls—the “two Danas” behind *Dana DeArmond Loves Girls* do lesbian sex right.

JANA AND HAYDEN

ALL-YOU-CAN-EAT
LESBO PUSSYFEST

Is there anything hotter than two smokin' blondes going down on each other? What is it about lesbos that sets the red-blooded American male's heart racing and dick throbbing? Is it the idea of women so horny, they turn to each other for sexual release? Is the erotic dance of lesbian love more appealing to watch than any other carnal act? Is it simply double the tits, ass, and beave? Who gives a flying fuck? Leave such deep thoughts for another time, and get busy stroking your meat to Hayden Hawken and Jana Jordan's all-you-can-eat lesbo pig-out! Then go back for a second helping!

INTER- RACIAL ANGELS

BLACKED.COM

***Starring: Mischa Brooks,
Keisha Grey, Skylar Green,
Katerina Kay, and
Dakota James.***

Greg Lansky is at it again, producing another interracial porn flick that's definitely easy on the eyes and engorging to the cock. In the opening scene, tender blonde Dakota James does her first interracial, and big, black brothers Jason Brown and Isiah Maxwell break her in good. Easy, bros! It's her first time! Skylar Green and Katerina Kay deliver colorful black-on-white performances, and the final scene is a hot threesome with Misha Brooks and Keisha Grey. Misha and Keisha groove out lez style before summoning Prince Yahshua, who provides the monster black cock they crave. Blacked.com continues to set the bar high when it comes to producing high quality, must-watch interracial porn. *Interracial Angels* is heavenly!

SISTERS OF ANARCHY

DIGITAL
PLAYGROUND

Starring: Bonnie Rotten, Kimberly Kane, Nadia Styles, Alektra Blue, Dana DeArmond, Misty Stone, Ava Addams, and Dahilia Sky.

We love biker babes! They ride around on giant, gas-powered vibrators, so you know they're horny as hell! Tattooed hellion Bonnie Rotten was born to play a biker babe, and Digital Playground's *Sisters of Anarchy* series shows she can handle both acting and directing in a porn mini-series as well as anyone working today. The plot elements are what you'd expect in a high-end adult feature, and the sex scenes in *Sisters of Anarchy* are as hard as anything we've seen coming out of Digital Playground lately. Kudos to Rotten, who directs this beautiful filth. *Sisters of Anarchy* has plenty of entertainment and enjoyment—a fun biker flick with just enough drama to earn it feature flick status, and scorching hardcore sex that will keep even the most jaded raincoaters interested from beginning to end.

STUDENT BODIES 3

SWEET SINNER

Starring: Dakota Skye, Keisha Grey, Ariana Grand, and Alaina Kristar.

Legendary director James Avalon has lensed another fine fuck film with *Student Bodies 3*. Avalon has been directing adult films longer than any of the women in *Student Bodies 3*—and likely their parents—have been alive. He knows the secret to great porn is fresh talent, and he's got a nice crop of cuties assembled for *Student Bodies 3*. Has there ever been a set of tits more succulent or mouth-watering than Keisha Grey's swaying hangers? Dakota Skye embodies the naughty schoolgirl role, accepting her sexual discipline from Steven St. Croix with a smile. Ariana Grand gets plowed right out in the open, bent over the net on the campus tennis court, while waif-like Alaina Kristar is violated by Mr. Pete in a classroom. Damn, we wish we hadn't dropped out of school!

ATTENTION WHORES

VIVID

Starring: Katie St. Ives, Elaina Raye, Kendall Karson, Victoria Love, and Anikka Albrite.

Five nasty nymphs! Five nasty fucks! Five big facials! It all sounds good on the cover of Vivid's *Attention Whores*, and for the most part director B. Skow's film delivers the goods. Kendall Karson and Katie St. Ives continue the tradition of beauty that is a hallmark of Vivid. Elaina Raye, Anikka Albrite, and Victoria Love are equally hot and horny. There are no slouches here—just Grade-A beauty queens sucking and fucking. Yet, despite the winning combination of good looks and great sex, something falls short. Are we just jaded fucks who need sloppy gonzo shit to get off? Don't answer that. *Attention Whores* is packed with hot girls and hot sex, and that should be enough for most.

LAURA LEE

CREAMY SWISS MISS

Photography by Tammy Sands

Why so sad, Laura Lee? "My asshole boyfriend and I fought about him leaving the damn toilet seat up again!" the sweet Swiss beauty explains. "The last time we fought, I punished him by letting a bunch of strangers finger my ass and pussy. I took pictures of everything and posted it all over social media. My boyfriend was so embarrassed and angry, but we had awesome make-up sex afterward, so it was worth it." Laura Lee, we want to *be* your toilet seat. Who needs paper when you can use our tongues?
